

Join us for Build  
Week: Monday,  
May 21 - Sunday,  
May 27, 2012.  
Watch out for more  
info!

## HoPP aboard! It's really happening! You and your business can help build the new Karen Hornaday Park playground. Here's how:

### Become a **PLAY SPONSOR**

Become a permanent part of Homer's new playground by sponsoring an individual piece of equipment. A "play sponsor" will receive recognition on an attractive plaque affixed to the component itself and will be thanked in media releases and printed materials distributed before and during the Grand Opening. See reverse for sponsorship opportunities. And consider a joint sponsorship with a partner business. Call Miranda Weiss at 907-299-5550 for more information or mail in the form below with your check.

### Make a **GENEROUS DONATION**

HoPP needs to raise \$220,000 to build the new playground. We've raised over \$60,000 so far from private donors. Your donation can make a big difference. We hope to recognize all donors at the new playground, but business donors at the \$500 and up level will receive prominent recognition at the playground and in printed materials distributed before and during the Grand Opening.

### Purchase **ENGRAVED FENCE PICKETS**

Part of the new playground will be enclosed by a fence. Available for only \$50 each, fence pickets can be engraved with up to 20 characters of your choosing. Only a limited supply is available. For more info, visit [www.HomerPlaygroundProject.org](http://www.HomerPlaygroundProject.org) or pick up a picket form at North Wind Home Collection.

Please make checks payable to HoPP—Homer Foundation and mail to HoPP, P.O. Box 1498, Homer, AK 99603. To use a credit card or for more information, contact Miranda Weiss at 907-299-5550 or [mirandaweiss@gmail.com](mailto:mirandaweiss@gmail.com).

# Playground Features “Price List”

**HoPP aboard!** Become a permanent part of Homer’s new playground by sponsoring an individual piece of equipment. A “play” sponsor will receive recognition on an attractive plaque affixed to the component itself, as well as being thanked in media releases and printed materials distributed before and during the Grand Opening.

Prices reflect the estimated value of the components as well as their size and prominence. As a whole, the playground equipment will provide a fun, healthy, diverse, creative play environment for kids ages 2 to 12 – and will definitely reflect Homer’s unique character. For more information, contact Miranda Weiss at (907) 299-5550 or MirandaWeiss@gmail.com.
