

Homer Hockey Association, Inc

February 2012

2012 Squirt Tier III State Hockey Tournament March 23 – 25th, 2012

We are pleased to announce Homer Hockey Association has been selected to host the 2012 Squirt Tier III State Tournament. We are anticipating 8 – 12 traveling teams from across the state to attend our event. We are looking for the support of the businesses in our community to help us put on an exciting tournament and show some true Homer hospitality! Advertisements are being sold for our event program in order to raise funds necessary for printing costs, administrative costs associated with the tournaments, as well as prizes for the participants.

This is a great opportunity for your business to show your support for these young hockey enthusiasts, as well as to gain exposure for your business during this busy weekend!

**We thank you for your time and thank you in advance
for your support of our association and this event!**

**Look for more information and updates on this
event in next month's newsletter!**

ABOUT US

In 1991, the late Kevin Bell and an enthusiastic group of hockey devotees obtained some used dasher boards, skates and a few sticks to create a makeshift ice rink on the tennis courts behind the Homer Middle School. The community support for this endeavor was evident from the beginning, as dozens of businesses and individuals donated money, time and equipment to move and install the used boards from Anchorage to Homer. Today because of the efforts of Kevin Bell and many others Homer possesses a one-of-a-kind facility, named in his remembrance, on the Homer Spit.

HHA was formed, then became an affiliate member of USA Hockey and incorporated as a nonprofit 501(c)3 entity in 1996. HHA has grown from a small informal group of hockey players to an organization with teams at every age level competing with other associations throughout the state. HHA has fielded teams participating at the Tier III and IV levels that have gone on to win state championship tournaments, and grown to include Tier II competitive teams, girl's hockey, women's hockey, and men's hockey. The Kevin Bell Arena also supports broomball and Homer High School teams.
